FIELD AGENT REPORT: Ray Everland

“Give to Caesar what is Caesar, Give to God what is Gods” I been doing this for 8 years now and what I have noticed that our aging membership is giving more to Caesar or the Government then they need to. From a 30 thousand foot level they are paying more in taxes then they have to. They say there not leaving money to their children but the grand kids are different. Everyone has a financial adviser but if you need a second opinion give me a call. This is a free service offered to the Knights.

MEETING CLOSED: 8:55 PM
